

Dear Judah Parents,

The purpose of Judah's Parent Teacher Fellowship (PTF) is to support our school, teachers and families, provide family fellowship opportunities, and to provide an organized volunteer network, so it is easy to get involved. Volunteering is a great way to fellowship with students, staff and other parents while earning your Parent Involvement Program (PIP) hours and making Judah even better! Each family is required to complete a minimum of 25 PIP hours and record them in the PIP box in the front office: all PIP hours for the 2008-2009 school year must be completed by May 29, 2009. Any hours not recorded will be billed at \$20 per hour. The earlier you get involved, the more opportunities you will have!

There are many ways to volunteer at Judah and we need YOU! On the backside of this letter you will find Judah's Volunteer Interest Form. Please take the time to fill it out by indicating the areas in which you are willing to serve and return it with your registration information. PTF will compile the data received on this form to create the master volunteer list for Judah. Teachers may also ask for volunteers for specific things they need for their classes and programs. Please support them by filling out these individual forms that come home from the teachers at the beginning of the year.

Thank you for your support! We look forward to a great year!
