The objectives of the Judah Athletic Booster Club:

- To arouse an enthusiastic interest in the various phases of the athletic programs of the school.
- To lend all possible support, both moral and financial to athletic programs in the school.
- To cooperate with the administration of the school to ensure that the booster club will be brought to and kept at the highest possible degree of respectability.
- To build an organization which will promote good sportsmanship and a Christ-like attitude in our athletic programs.

How Can You Assist Us?

Members are invited, and encouraged, to attend meetings and participate in our discussions. The Booster Club generally meets on the first Thursday of the month starting at 6:00 PM at the school building. However, our program is comprised of many volunteers with difficult schedules. If you are planning to attend one of our meetings, please contact the athletic office at 239-0407 to verify the meeting time and location.

The Judah Athletic Booster Club is known for its fundraising drives, but we do much more. Behind every event is a group of volunteers just like you. We have club officers, committee chairpersons, organizers and volunteer workers. If you can invest some time in making this a better program, please indicate your area of interest below:
