## After School Care Assistant

### **Position Summary:**

To assist the after-school care supervisor with monitoring and caring for JCS elementary students during the extended academic school day.

### **Responsibilities:**

The position of the after-school care assistant would assist the after-school care supervisor by:

- checking students in for after-school care (ASC)
- monitoring students on the playground/or other locations
- preparing after-school snacks (provided)
- engaging with students
- assisting with sign-out procedures when parents arrive for pick up

### **Qualifications:**

- A fellow Christian who supports, without reservation, the Judah Christian School Statement of Faith
- A member and regular attendee in good standing of a Christ-centered church
- Demonstrate spiritual maturity with leadership abilities that will allow him/her “in humility to consider others better than him/herself”
- Reflect the purpose and mission of the school in word and deed both while at school and in the community
- Willingness to work as a fellow member of a team
- flexible and able to multi-task efficiently

### **Working Hours:**

This is a part-time position. The hours are 3:30 pm – 5:30 pm during academic school days. There is no ASC during celebrated holidays, parent-teacher conferences, or teacher in-service days.
