2018 Tax Forms

The Business Office would like to apologize to those who received a copy of their 2018 Tax Form (Receipt for Qualified Expenses) that was very smudged and difficult to read. Though the letters were legible upon sending them out, something caused transfer to occur once they were folded and processed through the mail. We apologize for any inconvenience this may have caused but are happy to provide a new, clean copy upon request. Simply email bookkeeping@judah.org and we will process your request immediately. If you have any questions, please do not hesitate to contact Jenn Lance at lancej@judah.org. Thank you!

From the JCS School Board: On-BOARD-ing (familiarizing a client with one's services)

Here are a couple more thoughts in our series "On-Board-ing". Board members are trustees for the school. They serve in a "fiduciary role". What's that? Great question! It is a position of trust. To act in the best interest of the beneficiaries, or those they serve, the Community, You!

Individual Board members may wear three different hats and it is important to keep straight which one we are wearing as we go through the day and interact with other board members, the staff, or the Community. At different times and venues, Board members find ourselves in situations where we have on the Board member hat, and need to speak with one voice. Other times, it's the implementer hat, which is rarely worn, since most of the implementation of the school is done through the Administration and Staff of the school, but may be worn for a specific time and purpose requested by the Board. Lastly, there is the Community member hat, which is worn as a parent at their son or daughter's sporting event or school performance. Please pray for us as we look to Jesus to give us wisdom and awareness to keep what's in and on our heads straight. We love you and are praying for you and our school.

In service to our King, the JCS School Board
