Many colleges and universities offer both online programs and online classes. Visit school websites and class schedules. Parkland College offers traditional, online, and hybrid classes—which is a combination of traditional and online classes.

Synchronous classes – Like meeting in a traditional classroom, but online. These classes may require specific computer software and headphones. Poor/slow internet connections can be problematic.

Asynchronous classes – Assignments are done by due date when convenient to the student.

For more information: <https://www.elearners.com/education-resources/degrees-and-programs/synchronous-vs-asynchronous-classes/>

For a sample of online learning, Khan Academy offers free classes at all levels of learning:

<https://www.khanacademy.org/>

Read The Washington Post's "What in the World is a Mooc?" <https://www.khanacademy.org/>

Verify institution accreditation—this may have an impact on your learning goals.
